

BRAND IDENTITY · V1.0 · 2026

Learning never closes.

Oyelearn grows from the Oyelabs mark. The outer ring is Oyelabs: the company that holds and supports every learner. Inside it, an amber ring is drawn three-quarters of the way round, with a dot just ahead of where it stops.

That dot is you, today. The ring is your progress. It is never closed, because at Oyelabs there is always a next level. And the whole mark becomes the O in Oyelearn: learning is where our name begins.

The ring keeps moving.

Loader: the amber ring draws, spins and releases, but never fully closes. Progress: the inner ring fills to the learner's real progress, with the dot at the tip. Celebration: on a summit, the dot pops and the ring completes for a moment, then opens again for the next level.
